**I. Bidder's Agreement with Terms and Conditions** – The completion of all RFQ requirements in accordance with the instructions in this RFQ and submission to DAWERR of a quote will constitute an offer and indicate the Bidder's agreement to the terms and conditions in this RFQ and any attachments hereto. DAWERR reserves the right to award a purchase order (PO) without discussion and/or negotiation; however, DAWERR also reserves the right to conduct discussions and/or negotiations, which among other things may require a Bidder(s) to revise its quote (technical and/or price). Issuance of this RFQ in no way obligates DAWERR to award a purchase order, nor does it commit DAWERR to pay any costs incurred by the Bidder in preparing and submitting the quote.

**II. Index of RFQ** – This RFQ is comprised in its entirety of the following sections and appendices:

Sections of RFQ

## SECTION 2 – DESCRIPTION OF GOODS/EQUIPMENT REQUESTED

Please refer to Appendix B for a list of goods/equipment required.

## SECTION 3 – SPECIAL PROVISIONS

### 3.1 Source and Nationality

This RFQ will be financed by USAID funding and will be subject to U.S. Government and USAID regulations. The authorized USAID geographic code for this RFQ is Code **937**. Code 937 is defined as any area or country including the recipient country but excluding any country that is a prohibited source. A list of developing countries, advanced developing countries, and prohibited sources is available in USAID's Automated Directives System, ADS 310 <http://www.usaid.gov/policy/ads/300/310.pdf>.

The following applies to this RFQ, all related correspondence, and any resulting contract:

#### A. Definition

- i. **Cooperating Country:** "Cooperating country" means Lebanon.
- ii. **Source:** "Source" means the country from which a commodity is shipped to the cooperating country or the cooperating country itself if the commodity is located therein at the time of purchase. However, where a commodity is shipped from a free port or bonded warehouse in the form in which received therein, "source" means the country from which the commodity was shipped to the free port or bonded warehouse
- iii. **Nationality:** "Nationality" refers to the place of incorporation, ownership, citizenship, residence, etc. of suppliers of this good and must fall under the 937 code.
- iv. **Prohibited Source:** The Bidder may not supply any goods or services manufactured in or shipped from the following countries: Cuba, Iraq, Iran, Laos, Libya, North Korea, or Syria.

### 3.2 Inspection

DAWERR shall have reasonable time, to inspect the goods/equipment provided, anytime during the performance period of the PO as well as after delivery, and to reject acceptance if not conforming to the specifications of the PO and offer. Recovery of the rejected item (s) shall be the sole responsibility of the Bidder.

### 3.3 Warranty

Warranty service and repair is required for the machineries under this RFQ. The warranty coverage must be valid on the requested goods/equipment for a minimum of two (2) years after delivery and acceptance of said goods, unless DAWERR otherwise specified in the technical specifications. Bidders shall describe their warranty and what is covered.

### 3.4 Training

Selected bidder(s) must send a technician to conduct a demonstration and training on how to use the machineries for workers responsible for operating the supplied equipment in the below mentioned locations and to provide guidance booklets and instruction manuals for the supplied equipment.

#### SECTION 4 – EVALUATION CRITERIA

All quotations received in response to this RFQ will be evaluated by DAWERR. The Purchase Order shall be awarded based on the best value to the DAWERR.

DAWERR will conduct a selection based on evaluation factors listed below.

| RATINGS  |            |
|--|------------|
| Criteria   | Weight     |
| Price  | 40         |
